

Finnera

The most intelligent roof ever seen

Finnera's innovative design makes your steel roof not only beautiful but also extremely durable and practical. The revolutionary front-edge bending within the product maximizes weather resilience and enables an admirable seamless roof finish, even with modular sheet format. This means you get top quality in a fully standardized stock-ready package, making your whole roofing project as easy and carefree as possible. Finnera is available in Ruukki 40 Quality Class.

Finnera Ruukki 40: 40 years technical and 15years aesthetical warranty
