

Ruukki Primo Skyline 150

Create contemporary facades with new Ruukki Primo Skyline 150 panels. This panel is ideal for vertical orientation and comes with special features:

- Big product sizes and excellent surface flatness
- Unique tilted joints for low maintenance needs and longer life span (Patent pending)
- Continuously adjustable joint width
- Individually replaceable if damaged

Ruukki® Emotion

Available also with perforation and backlighting.

BIM objects

Download BIM objects to your desktop

ProLib brings Ruukki products as BIM models directly to your desktop in 3D form for design programs AutoCad, Autodesk Revit, Archicad and Tekla Structures. Product libraries compile all necessary design models and detailed drawings in one place. Library updates are automatically notified, so as a user you can be sure that your product information is consistently up to date. ProdLib can also be used as a standalone desktop application.
